Data Protection

Swansea College collects information about all of our staff and students. This is for various business purposes and health and safety reasons. We have to make sure that we follow the Data Protection Act 1998.

Information you provide on this application form will be passed to the Welsh Assembly Government (WAG) and organisations that need your details for certification, registration and examination purposes, which are registered under the Data Protection Act 1998. Information on student destinations will be shared with Careers Company Wales.

The registration is mainly for the collection and analysis of statistical data but it also lets WAG share information with other organisations to help to stop fraud. You can get more information about how we use data from the Swansea College Management Information Unit.
